BUSINESS HIGHLIGHTS
BUSINESS HIGHLIGHTS

- Continued improvement of financial results
  - Net profit of HK$61 million, as compared to a Net loss of -HK$238 million in the same period last year
  - Positive EBIT from underlying operations (excl. exceptional items) of HK$2 million, a significant recovery from LBIT -HK$252 million in the same period last year, driven by two major developments:
    - Downsizing of business (closure of unprofitable stores and loss of low-performing wholesale spaces)
    - Reduction of the level of promotional activities, price markdowns and wholesale discounts
  - As a result, revenue decline -9.9% yoy in LCY, against a -14.3% yoy reduction of total controlled space
  - But gross profit margin was increased by +2.0% pts yoy
  - And regular OPEX was reduced by -11.2% yoy in LCY; hence, fully out-weighing the decline in top line
  - Net cash balance of HK$4.5 billion at 31 December 2016, with zero debt

- Continued progress in the execution of the Strategic Plan
  - Progressive rejuvenation of the “Esprit brand”
  - Development of the Vertical & Omnichannel models to improve products and channels performance
  - Ambitious reduction of OPEX to accelerate turnaround

Group Revenue: HK$8,323 m

- **edc**: -6.4% in LCY
- **Esprit Women**: -5.6% in LCY
- **Esprit Men**: -17.1% in LCY
- **Lifestyle and others***: -18.6% in LCY

---

**Esprit Women and edc**
- Decline in Esprit Women and edc mainly due to space reduction
- Comp-store-sales (incl. eshop) for Esprit Women and edc only declined by -2.6% and -1.4% yoy in LCY

**Esprit Men**
- Reduced space allocated to Men’s products due to sales performance
- Restructured and strengthened management team during 1H FY16/17

**Lifestyle and others**
- Largest decline came from the Kids division (-62.8% yoy in LCY) due to its licensing to Groupe Zannier (majority of net sales are now booked by our license partner, while Esprit primarily receives the corresponding royalties)

---

* Lifestyle and others mainly include accessories, bodywear, shoes, and the sales and royalty income from licensed products such as kidswear, timewear, eyewear, jewelry, bed & bath, and houseware.

  - -7.1% in LCY
  - 24.0%

- **Eshop**
  - -2.4% in LCY

**Directly managed channels:**
Retail (excl. eshop) and Eshop:

- Most impacted by the measures to improve gross profit margin
- In Retail (excl. eshop), productivity remained stable in full-price stores (+0.3% sales/sqm in LCY) and all the decline happened in the off-price outlets
- Sales decline of Eshop was mainly due to a drop of online traffic to our Eshop in Europe
- Eshop in APAC grew +58.7% yoy

**Wholesale (excl. eshop)**

- Closure of non performing locations is driving an increase in average sales productivity of the remaining controlled space, driven by improved order intakes from both offline and online partners

## Successful reduction of Regular OPEX through:
- Accelerated closure of loss-making stores
- Overhead cost restructuring measures
- Lower marketing and advertising expenditure level following the strong push last year

## Savings achieved across all key cost lines

## Exceptional items mainly related to one-off costs for staff reduction

The Group is fully on track to achieve our target to reduce OPEX by HK$1 billion (excluding exchange rate impact) over 2 years from FY15/16 level.

GROUP CASH DEVELOPMENT- NET CASH

- Cash utilization less than the same period last year
- Cash balance at end of December is generally lower than at the end of June due to seasonality
- Present cash balance at a healthy level, higher than the same period last year
**WORKING CAPITAL**

**Inventories**
- Value ▼ 9.5% yoy due to:
  - ▼ -4.0% depreciation in EUR/HKD closing rate yoy
  - Inventory turnover days ▲ 7 days due to higher share of retail business vs wholesale, the leftovers carried over from the previous financial year and the lower revenue in comparable retail stores and eshop

**Net trade debtors**
- ▼ 16.5% yoy:
  - Lower wholesale revenue
  - ▼ -4.0% depreciation in EUR/HKD closing rate yoy
  - Cover ratio before provision of 44.8% increased by 2.9% pts yoy

**Trade creditors**
- ▼ 41.4% yoy:
  - Quicker payment to take advantage of higher discount from suppliers
Largest reductions in store openings and refurbishments, as large scale refurbishments are mostly completed.

UPDATE
*EBIT from underlying operations, i.e. excluding exceptional items (e.g. closure of N.A. operations, impairment of China goodwill, sales of HK office space or provisions and impairments for store closures)
**EBIT* DEVELOPMENT IN 1H FY16/17**

**ESPRIT EBIT* (HK$ million)**

*EBIT from underlying operations, i.e. excluding exceptional items (One-off costs in relation to staff reduction plan, provisions for store closures and onerous leases, and impairment of fixed assets)*
KEY OPPORTUNITIES AHEAD

1. **Strategic Plan** – Continue to develop towards excellence in the three core elements of our Business Model:
   - **Brand** – Strengthen and rejuvenate brand image
   - **Product** – Complete the main elements of the **Vertical Model**
   - **Channels** – Keep on developing the **Omnichannel Model**

2. **APAC** – Turnaround business performance through a specific strategic plan for the region (repositioning of our brand and retail footprint)

3. **Wholesale** – Stabilize contribution through specialized solutions for each type of partner

4. **OPEX** – Complete target reduction of HK$1 bn over the next 2 years (complete store closures and reduction of overhead expenses)

5. **Growth** – Reignite top line growth by deploying cash reserves into sales initiatives and expansion

APAC REPPOSITIONING
REPOSITIONING OF ESPRIT APAC

Channels

- **Retail** – Reconstruction of the distribution footprint in line with main international brands:
  - **Stand alone** – Downsize large flagships and grow more profitable/smaller format in prime shopping malls
  - **Concessions** – Relocate to “international” floors with a more efficient/larger format for both genders together
  - **Outlets** – Premiumize and downsize network to focus on clearing inventories

- **Wholesale** – Leverage channel for strong partnerships in new large countries
- **Eshop** – Maximization of online growth by strengthening internal capabilities and developing a strategic partnership with the dominant market player

Products

- Global product offer with increased voice of Asia
- Strengthened merchandising for better adaptation of APAC’s assortment

Marketing

- Communication of Esprit based on Global brand image and complemented by tactical and modern local initiatives

OUTLOOK
SECOND HALF OUTLOOK FOR FY16/17

- Continue to execute our Strategic Plan with primary focus on improving our bottom line

- In the short term, this approach implies:
  - A decline in revenue due to the reduction of unprofitable controlled space
  - Countered by better sales productivity, improved margins and reduced operating expenses

- We expect in the Second Half of this financial year a similar development as observed in the First Half
THANKS AGAIN!
